

KITCHEN UNIFORM REQUIREMENTS

Due to health and safety requirements all uniforms must be free from stains.

*HAT / HEAD COVERING

Long hair must be tied up, away from face and in a hair net. A hat/ head covering is required by health code.

LONG HAIR

Long hair must be tied up, away from face and in a hair net.

FACIAL HAIR

Facial hair must be trimmed.

*CHEF COAT

This protects you from burns and comfortable when working next to the oven and stove.

NAILS

Plain nails, no nail varnish or false nails.

JEWELLERY

Only plain wedding bands in kitchen. Watches and earrings can fall in food.

*APRON

This not only protects you from food and splashes but also useful place to store thermometers.

*BLACK CHEF TROUSERS

This must be worn and not shorts to protect you from burns and liquids in the kitchen.

*KITCHEN SAFETY SHOES

Closed-toed, supportive and non-slip.

Please speak to your manager to arrange your uniform collection before the start of your shift.
